Hic tangit tria inter devote supplicationis. Primo tangit instantiam seu devotionem supplicandi. Secundo perfusionem caput sui que utilitas. Tertio utilitas caput dicitur unde supra patre deus supplicandi duplex ostenditur primo pro gloria immortalitatis quam habeat. Secundo pro miseria mortalitatis tollendi. Et ad deum dicit ergo ad te qui cuncta facit sanavi me exponendo passioni. Secundo tunc dixi orate patrem qui es deus omnium creationis clamavi devote orando pro gloria immortalitatis ut in evangelio Johannis xvii. Clarifica me tu pater et ad deum meum deprecabor. Secundo caput qui es deus meus pro quo deprecabor primi severa mortalitatis tollenda. Job xiv. Ut ubi ceteri deprecabor deum et ad deum ponat eloquium meum. Tertio perversio quam utilitas in sanguine meo. Sic ponitur perfusio caput sui secundum ut sit utilitas eius passio. Dicit quam utilitas erit super in sanguine meo. Vel sic: sine culpa mea dum descendero in fetorem. Descendens quaesisti per quosdam gradus miseriae in corruptione incinerationis quibus uti et vivi tertia die resurrexisse nunquam ut non crederetis. Ideo dicit apostolus Romanis: Mortuus est propter delicta nostra et resurrexit propter iustificationem nostram. Primum nunquam confitebitur. Sic tangit perfusio caput dei primo ut ipse laudet. Secundo ut eius veritas predicetur aut annunciabit. Dicit ergo nunquam confitebitur veritatis quia nunquam confitebitur tibi hec secundum laudando pulvis pater in pulvere mansuetus. Depulvere pari non sunt uti. Ezech. xxxvii. Convertuo qui intellexerit confessio aut annunciabit veritatem tuam alius predicando quod dicere per. Pater dixit deus quia tu eruisti ut misericordia mea sanavi ego non resurgere. Apostolus: in pulvere pari manserunt. Secundo autem nunquam pulvis. Ideo convertimur et in pulverem resolutum constitutus ut erit ita ut homines confitentur tibi te laudando aut annunciabit veritatem tuam aliis fide tua predicando ergo non pergunt. Hic est tertia pars principalis ubi Christus aliter dicta consecrationis glorificationis accepit primo quo auctore. Secundo quo ordine convertisti. Tertio quo fine ut cantet super patre. Omnis quod esse suum est primo deo eius miseria miserante. Secundo deo eius ad gloriam perducente dominus dicit ergo audivit quia deprecatus sum deum et dominus pater audivit me deprecantem et misertus est mei me eripiendo a corruptionibus miseriae consuetudo. Hebr. v. Exauditus est pro sua reverentia et dominus factus est adiutor meus me ad gloriam immortalitatis perducendo. Ysaias. Dominus auxiliator meus. Secundo convertisti planctum meum. Hic ostenditur quo ordine primo in generali. Secundo in speciali. Convertisti. Dicit convertisti quia sicut es adiutor meus ita secundum quod planctum meum secundum tristitiam passionis de qua Matthaei xxvi. Tristis est anima mea usque ad mortem convertisti mihi in gaudium et secundum leticiam resurrectionis. Luce. ultimo. Pre gaudio et stetit quod gaudium conversio. Hic potest intelligi secundum istis suis apostolis. Johannis xvi. Tristicia vestra vertetur in gaudium et conscidisti quia ideo secundum quod ipsius planctus in gaudium et quia conscidisti [Cretus] saccum meum et cetera mortale in passione deponendo quae plena erat humilitate. Secundo finito. Hic est deinde quo de praeterito scilicet tunica ... precinxisti me letitia gloria immortalitatis vestiendo. I Cor. xv. Et dicit ergo: Dixi confitebor contra me iniusticiam meam domino et tu remisisti impietatem peccati mei. In hoc notatur quod propositum firmum deliberatum confitendi valet ad remissionem. Sed per peccata accusando non aliorum. Job xxxi. Si dimittam adversum me eloquium meum. Prov. xxviii. Iustus in principio accusator est sui. Sicut David dixit Natan: peccavi domino. ii Reg. xii. Dixit Natan ad David: dominus quoque transtulit peccatum tuum et tu remisisti. Hic est tercia pars psalmi in qua agit de penitencia et satisfaccione cuius pars est oracio. Et primo ostendit quod sancti viri premissis peccati orant. Secundo quomodo deus eos non elevat ab aquis. Tercio ostendit modum quo sancti orant tu es refugium. Hic dicit apostolus Rom. x. Presumpcio de impunitate peccatum conducit quamdiu nec dictorum et dicitur ergo peccatum. Ut tu remisisti impietatem peccati mei. Propter istam remissionem sancti quoniam ad misericordiam et per confidenciam amplius quoniam ad peccata orabit ad te omnis sanctus, scilicet sanctorum ut et cui non omnes sancti timent deum, et orabit propterea in tempore oportuno, id est tempore gracie. Vel aque non approximabunt ad ipsum tu es refugium meum. In alia littera: Hic ostendit modum quo sancti orant. Primo narrando refugium et supplicacione. Tu es refugium meum. Dicit ergo Tu es refugium. Dicit quod sanctus orabit ad te sanctus dicens: O domine deus tu es refugium meum, non alius propter peccatum. Non ad ipsum sancti et tribulacione que circumdedit me, in qua circumdederunt me dolores mortis. Job. Circumdederunt me lancee. Si vero tu es exultacio mea, supple futurorum bonorum me certificando. Proverbiorum viii. Erue me a circumdantibus me, malis pene et culpe. Ambulans circumdantibus me liberando. Sequitur Intellectum.

Intellectum tibi dabo

Hic est quarta pars psalmi in qua agit de fine. Hic ostendit apostolus et primo ostendit primum veritatem. Secundo peccatorum ad penitenciam. Tercio ostendit predicta in consolationem multam. In prima parte primum veritatem tangit dupliciter: primo illuminacionem intellectus, secundo confirmacionem effectus. Ibi Firmabo. Dicit ergo Intellectum. Quasi: Erue me et respondit deus: Intellectum tibi dabo ut te cognoscas. In Thimotheo: Dabit tibi deus in omnibus intellectum et instruet te quid agere debeas. In psalmo: Da mihi intellectum. Et in viam qua gradieris firmabo. In via gradieris, scilicet in via fidei et morum. Hec est que ducit ad vitam. Sequitur Firmabo super te oculos meos. Et sic est approbando et diligendo. In psalmo: Oculi domini super iustos. Item intuitu bonitatis contemplando et plena fiducia. Sicut sunt corde pacifici ipsius. Sequitur Nolite fieri sicut equus et mulus. Hic ostendit peccatorum ad penitenciam exhortacionem. Et primo monet ut conventantur. Secundo si noluerint, orat deum ut aliquo corrigantur. In camo

Sic hic agitur de clamore bonorum ad deum et liberacione eorum ab oppressione malorum cum oppressi essent [illegible] qui titulus est in fine in carminibus vel in ympnis intellectus david cum venissent ziphei ad saul et dixissent saul nonne david absconditus est apud nos. Tangitur hystoria i Regum xxiii [illegible] de ziphei qui david [illegible] tenentes apud se manifestaverunt [illegible] timore [illegible] et morti exposuerunt. Sed david fugit ad [illegible] loca engaddi et ibi salvatus est et ideo titulus sit in carminibus et in ympnis dei laudantium. Legitur hic in psalmo non de hystoria sed de vero misterio quod intellexit david [illegible] per ziphei qui florent in hoc mundo [illegible] quos boni latent ut david et [illegible] sed mali eos manifestant qui ad mortem [illegible] quia mors per saul significatur ut dicit [illegible] sed boni refugium habent ad fontem dei sicut [illegible] engaddi id est ad deum qui est fons [illegible] dei [illegible] est quod [illegible] titulus in hoc psalmo [illegible] intellectus quod [illegible] david cum venissent ziphei id est mali ad saul id est ad mortem ut dicit [illegible] intellectus [illegible] dirigens nos in fine sed deum in carminibus et in ympnis id est in gratiarum actione [illegible] ut hic intellectus et david

Superius oravit contra persecutores, hic oravit pro adiutorio suo, ubi primo ponitur oratio; secundo promissio quia sacrificabo; tertio promissionis ratio. Voluntarie. Quarto gratiarum actio ibi quoniam ex omni. Supra oravit duo, primo liberationem contra alios, secundo punitionem inimicorum ibi et in veritate tua etc. Sed super verbo ut sit prodicio mala, pone etc., et dicit ex parte alios ut sicut vir, quod dare est, dicit ergo ita Deus adiuvat me et quomodo, quia dominus autem i. autem mala inimicis i. mala autem aliis.

Super Dominus xxvi, supra Rogate requiescunt, sicut super illud de voluntate ut patet in Grammatica qui puniunt et susceptor est suscepta et in veritate tua qui sic prodicio sunt. Vide non doceatur quod tenetur hic, ego dicam dispone illos i. diversis modis perde ut aviat de morbus atque invidus dividet rapaces tradant, se ergo disperde illos ut velabo impossibilitate, aliis sic averte mala inimicis meis, mala sicut pene ut non puniant et velint et disperde illos amala voluntate ut non sit sicut aculpa liberent et in veritate tua fundando illos ut sit perficiunt in bona vere bona orat pro inimicis sequens primi. Neque regere verum. Vide hic oratur pro persequentibus et calumpniantibus nos. Exemplo voluntarie[?] tibi non ego possum non enim sicut quod sciant persequuntur voluntarie sacrificabo.

Voluntarie sacrificabo

Hic subditur sacrificii promissio ut in oratione sua exaudiatur, ubi primo sacrificium promittit, secundo promissum specificat ibi et confitebor. Dicit ergo sic rogo te Deus et si feceris voluntarie non coactus sacrificabo tibi. Exodi xxxv omnes voluntarie et spontanei offerunt primicias domino etc. Spiritualiter placet cum quo affectio donata quia voluntaria aliorum iugiter sacrificabo. Dicunt ita quod tibi non in dolis nec aliis et confitebor hic specificat sacrificium. Sacrificium quoniam ad genus operis bonum quantum ad intentionem operantis cui quoniam bonum est. Dicit ergo ita sacrificabo voluntarie et confitebor nomini tuo o Domine i. simul corde ore et opere laudando. Confitebor non sicut illi de quibus ad Titum primo: confitentur se nosse Deum, factis autem negant et quoniam non aliqua veniunt necessitate inventa ut opinandum sed quoniam bonum est et in rerum proprie. Confitemini domino quoniam bonus. Quoniam confitebor non tacebo sicut pigri et ingrati nomini tuo non meo sicut ypocrite et gratis possum quoniam bonum est non quod bonum sit adulatores et calidi qui laudant potentes seculi quia ex omni tribulatione, hic tangitur gratiarum actio, quare oravit pro inimicorum confusione quia sicut ei est revelatum quoniam dominus primo liberato eum ab inimicis plurimis modis, secundo de spectaculo ipsorum de acto adiutoriorum ibi et super inimicos dicit ergo sic: rogo ut averte mala inimicis meis quoniam hoc faciendo eripuisti me et ego in spiritu meo ex omni tribulatione et hominibus persequentibus et demonibus impellentibus et carnis mollitie. Job v: in sex tribulationibus liberabit te et in septima non tanget te malum, et super inimicos i. quoniam non solum eripuisti me ita ut non succumberem, unde et super inimicos meos i. super mala ab inimicis de victoria in serviendo despexit tanquam inimicos tunc[?] invictus oculus

Commovisti terram

Hic ostendit quod fecit in repulsione et hic duo primum in incussione timoris secundum in immissione doloris ibi Sana contritiones eius. Dicit ergo sic misericorditer iratus fuisti quia primo terruisti quia commovisti terram hoc est nos per hostes inducens et gentiles impellentes vel per timorem tuum terrens perdicionis gladio et sic turbasti eam de quo Iob vi. Angelus domini descendebat in piscinam et movebatur aqua et turbavit eam. Dolore compunctionis et immittendo illum cor meum contritum est et formido. Et ideo ordo iste timor generat contricionem dolor contricionis sanat. Sequitur Sana contriciones eius id est miserias eius per tuo dilectos. Psalmo xiiii Sanat contritiones corde et alligat eos per penitentiam qui sanat quia commota est quia est tanta in quo per peticionem sanatur. Ostendit per sanctitudinem primo per peccati dimissionem, secundo per contricionis confessionem ibi Ostendisti. Dicit ergo sic sanata est et regnum est quia commota est commoto eius opus peccati. Iob xxxvi. Et super hoc expavit cor meum et motum est de loco suo. Sequitur Ostendisti populo tuo

Ostendisti populo tuo

Hic ostenditur fructuose contricionis confessio vel confessio. Et hoc primo sicut affliccionis, secundo afflictionis vocationem ibi Dedisti metuentibus. Et vocat affliccionis ubi ut fugiant. In primo confitetur duo primo sicut afflictos exterius. Secundo sicut compunctos interius ibi Potasti nos. Dicit ergo sic sanata quia ostendisti populo tuo dura affliccionibus et flagella Actuum ix. Ostendam ei quanta oportet eum pro nomine meo pati. Et eius fuit dura in principio et collocata in medio

per delectabilia in fine. Actuum xi. Iugum meum suave est. Et secundo ibi Potasti quia nos tamquam exterius afflixisti per interius potasti nos vino forti scilicet compunctionis per vellem vino et sanctitatis. Ecclesiasticus xxxi. Exultatio anime et cordis vinum moderate potatum. Vinum oportet in calice de vino compunctionis qui vult calicem de vino eterne dulcedinis. De quo Iob xi. Et omnibus conpune sequitur Dedisti metuentibus. Etiam vocat afflictionis quia ubi ostendisti exterius dura interius amaritudinem. Et quod dedisti signum eo omnibus per timentibus te ut fugiant. Ideo utilitatis significationis et hec duplex primum est prima quod significat indicii, secundo vocatio ad penitentiam ibi ut liberentur. Dicit ergo sicut dedisti signum metuentibus te ad hoc ut fugiant a facie arcus in per penitentiam a sua et ira iusti iudicii. Etiam primo interpretatis signum disciplinae signum tunc fuge iudicii id est per arcum exercitus et ire primum est penitentia quia ut a flagitia ad correctionem non ad dampnationem. Iohannis xii. Ad flagellandum adduc conversi pena ne dampnemini. Sed quod mundo [illegible] ut fugiant ipse et sanctificat incidenti perit ipse [illegible] passus pro nobis relinquens exemplum ut sequamini vestigia eius. Sic tantum non est pena [illegible] quod est quid agendum quod fugiendum et testimonium omnibus scriptura divinitus inspirata utilis est ad docendum et ad arguendum. Et sequitur ut liberentur dilecti tui.

Ut liberentur dilecti tui

Hic fiet utilitas quod sic flagellatis ut fugiant vel districti indicii timentibus te et ideo ut dilecti filii tui liberentur ab omnibus miseriis per penitentiam qua fugiunt a parte [illegible] Ecclesia liberabitur a [illegible] corrupcionis in
